

## **BUILD YOUR OWN NETWORKING GROUP**

Networking Groups have been a great source of referrals over the years. Now, it's easy to create your very own networking group! Simplicity is the key to building your REEferralNET.com networking group!

### **Pro-Tips for Long-Term Success**

1. Invite all of your REEferralNET.com trusted referrals to meet at a predetermined location and on a regularly scheduled day/time to “network”!
2. The location can be a restaurant, bar, or tavern, or any venue where you can meet and greet both existing and new trusted referrals in a social setting.
3. This type of “new” networking group has some great advantages:
  - a. No limit on the number of referral members, as you can have more than one type of business on your REEferralNet.com.
  - b. No need for officers, encumbering organizational reporting, recordkeeping, etc.!
  - c. Freedom to expand venues as your REEferralNet.com network grows!
4. With just a little planning... You can turn your REEferralNet.com hi-tech networking advantage into a hi-touch face-to-face networking event!
